We are the Ammo Chiefs Association, a not-for-profit; fraternal Association dedicated to the promotion of camaraderie among active duty and retired **USAF AMMO Chiefs**. Our members work throughout the year to raise funds for worthwhile charitable causes such as the Richard Gauvin Memorial Fund, the Enlisted Widows Foundation, and a Sunshine Committee to respond to members' time of distress. The ACA contributes to the morale of active duty AMMO troops at the Chapter level through recognition and sports programs. The ACA sponsors awards programs for the AMMO School House Outstanding Performer, and the ACOMAC Outstanding Performer. ACA has contributed to cultural enterprises such as the RAF Welford AMMO Museum. **We are AMMO, and proud of it!** Please visit the AMMO Chiefs web page for more information at

From Your President

State of the ACA

6.) At least once each year, the President will issue an annual report advising the membership of the "State of the Ammo Chiefs Association, Inc". The report will include the financial status, major endeavors undertaken, membership status, and present a budget for the next year's operation.

ACA Members,

This then is the annual report our constitution requires I give.

Let me begin by saying the state of the ACA is good. Financially we have the resources to conduct the operations of the ACA. For our members the attachments will give you the complete picture of our beginning balance for this year and the estimate of funds we will have remaining after our activities this year for next year's operations.

2008 ACA REUNION EDITION

As an association we have made considerable progress since our last report. Among the major accomplishments was the revision and approval of our Constitution. While revising the document was at times acrimonious we have, in fact, refined the guidance we have to work with to run the organization. And, some of the worst fears we had in revising the document have not come to pass. Reviewing our Constitution is something we should do every couple of years to ensure two things: that the Constitution's provisions guide the ACA to where we want to go, and that we comply with those provisions. That last statement, "that we comply with those provisions" has taken on greater meaning in light of the fact of our incorporation in the State of Florida and our anticipated filing of tax exempt status. Many of the provisions in our Constitution were written to assure we comply with the laws to maintain the status we have worked to achieve.

Last year Tom Zima began the process of surveying the location of our next Reunion. As a result of his efforts the Board selected Fort Walton Beach as the location of our 2008 Reunion. You can find more details about this in our Shell and Flame Newsletter and on our web site. Planning is almost complete for this event and our brothers of the Emerald Coast Chapter have been making preparations for the get-together. This effort once again honors one of the primary reasons for our existence as an organization, camaraderie, a chance for all of us to get together, share war stories and have a good time. Thanks to the many who make this possible and especially our brothers of the ACA Emerald Coast Chapter.

One aspect of our organization that has continued to challenge us on the Board is maintaining our membership. And actually, what we would really like to do is increase our membership. At present we have 117 Chief members, 9 Associate members and 6 Honorary members. The ACA's peak membership was 143! However, there has been a steady decline with many individuals paying dues for one year and then being dropped from the active roll for non-payment. We hate to lose you as it is only through active participation of the membership that we can achieve the ACA's objectives, first of which is camaraderie, but also include many efforts to support the AMMO community. Once again approximately 10% of those who paid dues in 2007 have not yet renewed their membership for 2008. Why this continues to happen is a mystery to the Board of Directors, perhaps it is something we did or didn't do. To those whose memberships have lapsed, we hope you will come home and renew your membership.

The ACA Board of Directors hashed out this year's budget. Among the key things we set out to do was to continue our support of the Gauvin Memorial Scholarship Fund. This year was the 10th Anniversary of the

2008 ACA REUNION EDITION

fund and in February Jim Kerchinski represented the ACA in making our annual contribution at a memorial gathering in Hawaii to commemorate the occasion. We've taken care of the mundane things such as tax filing, refiling our incorporation papers in Florida and are on the cusp of gaining tax-exempt status. We continue to support the AMMO School House and AFCOMAC with recognition for outstanding performers. The ACA Board approved the expenditure of \$600.00 for charitable causes yet to be determined. This will come mainly around the holidays and on an as needed basis. We've authorized \$200.00 for our Sunshine Committee to do the work that committee does to acknowledge the loss of AMMO troops and those we love and to provide a kind word and show our concern when tragic health issues arise. More details are in the budget provided to each member.

We have gotten a little more organized in our presentations and in the process found a way to save a bit of money without significantly detracting from the quality we've traditionally put forth in our chapter charters, Shell and Flame Award, and individual recognitions. A great deal of thanks for these advances go to Mark Gossett, Mike Curran, and Joe Dominguez who worked on the committee to revamp these items. Mike Curran and Fred O'Hern have been busy as well working up plans to revamp our Trinket Shop. Many of the items in the Shop have been there for a number of years so we are holding a fire sale to move some of this older merchandise and we are going to restock the store with fresh offerings. Fred and Mike are also working on a purchase order for some new ACA coins. More information about the sale will be in our Shell and Flame Newsletter and on our web site.

We have several endeavors ahead of us yet. The Board is obligated to review our Strategic Plan and bring it up to date as best we can. We have an election we will hold later this summer and fall and for once we will be electing just those who actually are due for election as scheduled. No slots to be filled due to early resignations. And of course, we have our Reunion to attend and our General Membership meeting to be held while there.

As an organization, the ACA is starting to mature and develop into one that has the foundation to endure for many years to come. That foundation is the result of the efforts of all of the leaders of this Association who have come before. Each has left something of themselves that make this an Association of which we can be proud. The state of the AMMO Chiefs Association is much more than what these few paragraphs will ever capture. At its very foundation though is our membership and the fact that we are AMMO and proud of it.

Lastly, I would like to thank the members of the ACA Board of Directors,

2008 ACA REUNION EDITION

both this year's Board and last year's, for dedicating their time and diligence to guiding the AMMO Chiefs Association. Beginning with January of 2007 all of our meetings, debates, creations of agenda, and resolution of strongly held (read that as stubbornly held) views on the part of many of us have been resolved either through emails or occasional on-line meetings which never lived up to being equal to sitting in the same room together to hash things out. Despite the drawbacks of not being able to meet face-to-face we managed to get the Association's business done.

On the balance, it has been another good year for the AMMO Chiefs Association. Look forward to seeing all of you in Fort Walton Beach.

Membership Report

At the end of 2007 the membership in the ACA stands at 142 broken down as follows; 52 Chief Life Members; 73 Chief Annual Members, Four Associate Life Members, Eight Associate Annual members, and Seven Honorary Members. Unfortunately, 32 members were dropped from the Membership Rolls in 2007 for non-payment of dues. If you are one of those who was dropped we would like to have you back. A member can be reinstated by paying the current years dues. All individuals were notified using their address on file that they were dropped from the rolls.

Annual Members are reminded that dues (\$25.00) should be paid by January 31st, 2008. Due to the recent change to the Constitution a member who has continually maintained his or her membership may apply all annual dues toward Life Membership, e.g., if you have paid dues annually for six consecutive years (6 x \$25 = \$150) you can become a Life Member by paying \$100. This obviously has to be an individual calculation! If you are interested contact me and I will explain your contribution amount. Checks or queries to the above address.

Montgomery Inn Ribs, indoor pool, and executive fitness center. More information may be found at the Inn's website: www.whihotels.com/ebrochures/hifairborn

The Inn has reserved a block of rooms for our group. The room-rate per night is \$89 (+ tax). This rate can apply three days pre- and/or three days post- reunion with advanced reservation notice, subject to availability. You may choose rooms with either two double beds, one king bed, or one king bed and one sofa bed. Smoking rooms are available. Financial arrangements for rooms must be made with the Inn. When making your reservation, and in order to obtain a room in our block and at the special rate, be sure to inform the Inn that you are doing so for the Morbach Ammo Squadrons Reunion.

The only other cost for the reunion will be \$25.00 per squadron member, payable to your coordinator at the reunion. There will be no extra charge for family members accompanying squadron members. We will be using the Inn's Armstrong Room for our "headquarters".

Wives and families are welcome – assuming you do not mind your comrades telling them what you really did in the war!

Nearby attractions include Wright-Patterson Air Force Base, National Museum of the U.S. Air Force, Neil Armstrong Museum, Huffman Prairie Flying Field, Dayton Aviation Heritage National Historical Park, Aviation Trail, National Aviation Hall of Fame, Wright B Flyer, Blue Jacket: Ohio's Epic Outdoor Drama, National Afro-American Museum and Cultural Center, Paramount's King's Island, and Beavercreek Golf Club. (For more information, visit the website of Greene County Convention and Visitors Bureau: greenecountyohio.org <<http://greenecountyohio.org/>>

Situated very close to the hotel is the National Museum of the United States Air Force, the world's largest and oldest military aviation museum, hosting more than one million visitors annually. The museum's galleries present military aviation history, boasting more than 400 aerospace vehicles – many rare and one-of-a-kind – along with thousands of historical items and powerful sensory exhibits that bring history to life and connect the Wright brothers' legacy with today's stealth and precision technology. The museum is open 9 am to 5 pm seven days a week. Admission is free, but there is a charge for the IMAX theatre. Self-guided tours require about two whole days to see most of the exhibits. (For more information visit the museum's website: www.nationalmuseum.af.mil <<http://www.nationalmuseum.af.mil/>> .) Therefore, if you wish to tour the museum, you are strongly urged to spend two or three days in Dayton either before or after the reunion. As indicated above, the Inn's special rate to us for our reunion applies to the extra days.

Attendees arriving by airplane may fly into Dayton International Airport (DAY). It is serviced by AirTran, American, Comair, US Air, Delta, Frontier, Northwest, Midwest Connect, United, and Continental airlines. Taxi service to the hotel is available at the airport for a fee from about \$45 (see websites chartervans.com <<http://chartervans.com/>> and www.daytonairport.com/pages/airport_ground.htm). A rental car can be obtained at

2008 ACA REUNION EDITION

the airport from about \$30/day from Enterprise (visit their website: [enterprise.com](http://www.enterprise.com) <http://www.enterprise.com/car_rental/home.do>).

The Inn will host a complimentary reception Friday 6-8 pm in the Armstrong Room. And we will have a farewell party there Saturday evening.

There will be no reveille, taps, parades, formations, long lines. This will leave plenty of time for what most of us would rather do – mingle with friends and swap yarns about what we claim we did in the war. Bring your scrapbooks, photographs, and other memorabilia.

If you have further questions, contact me by telephone, e-mail, or regular mail.

Make your reservations with Holiday Inn as soon as possible. (See telephone number above.) Let the clerk know that the name of your group is Morbach Ammo Squadrons Reunion in order to obtain the special room rate. Then let me know you are coming.

Fraternally yours,
Jimmy Wright (Morbach 1971-75)

The ACA is looking for someone to chair our Sunshine Committee. The Sunshine Committee responds to deaths of ACA members and AMMO troops. The Chair also responds to serious health issues of members and their immediate families with cards and notifies the rest of the membership and posts to the web when one of ours is seriously ill so personal friends and acquaintances are informed and can send their letters of care and concern. The Committee may also address issues of personal need where an AMMO troop has fallen on hard times and can use a helping hand. The Committee is one of the main ways through which we support the AMMO community and we are looking to be more proactive in this endeavor. If you are interested in Chairing this Committee please submit your name to the ACA Board of Directors. ACA_BOD@ammochiefs.com

The following email and photo was received from Remy Gauvin, dated March 21, 2008 in reference to the AMMO Luau held in Hawaii in honor of her husband, Chief Richard Gauvin.

All,

The turn out of these events went memorably well. In behalf of the "late

2008 ACA REUNION EDITION

Chief- Richard Gauvin" who smiled down specially on all of us, not only we'd like to extend to you our heartfelt "Mahalo - Salamat Po - Thank You", but we also stand "saluting" each and everyone of you. The Ammo Luau was an opportunity/planned in order for me, Mae and Melinda to express our gratitude. Whether you were there or not it did not matter nor did it change anything. This "Legacy" of..."Unmeasured Love for God and beloved country, and uphold/love the love for the family" - lives on. I know the Chief is once more humbled because mainly of you...the AMMO...our extended FAMILY.

AND HAPPY EASTER ALSO!!!

In Memory of "His Love" February of 2008

Our lives are filled with God's Blessing. Enriched with God's Love, we give "Thanks TO Him" Everyday. Words cannot express the happiness and love that we have for each and everyone of you. Thank you for all the support that you have given us. We are so fortunate to have crossed each others paths especially during this time. For it has truly been a beginning for our family of everlasting friendship. You will always be in our prayers.

"Malama Pono A Mea Hui Ho" Until we meet again,

♣*Chapter News♣*

♣***Wasatch Front Chapter.** Nothing to report..

♣* **Virginia Chapter.** The ACA Virginia Chapter held it first meeting for 2008, meeting was held at 1FW Ammo storage area where we were treated with a tour by Ed Weisheit of the next generation Munitions Flight building. If anyone visits the Langley area they need to add a few minutes to their schedule to visit the best Munitions Flight facility in the Air Force. The newly constructed facility is truly something from the outside; however, until you have stepped inside you have no idea of a first class facility that has been provided to the munitions community. We will have to provide an article just on the building in the coming months. We welcomed new members to our chapter, Frank Waterman (McGuire), Kevin Lewis (Langley), and Ricky Hamada (Seymour Johnson). We also bid farewell to two of our members since last year Dan Fri and Wayne Guilbault who took jobs that pulled them out of our region, we wish them and family the best in the future.

After the facility tour, our chapter meeting was called to order in the conference room, we can go record with our chapter conducting the first official Ammo business in the new facility. We discussed the past few months of chapter activity where we awarded our first Junior Ammo Person of the Year and we are planning to present another one this year. Our chapter also support the local Ammo community at Christmas where over \$500 was donated to bring cheer to two Ammo families. State of the chapter was presented to the membership, where the chapter president feels the chapter is doing great and looking forward to another outstanding year; all of which wouldn't be possible if not from the strong support from all of our chapter members and spouses.

After the meeting we had a cookout and provided some of the Ammo troops working over the weekend a few burgers and wurst.

Our next meeting is scheduled for 28 June, however, we are still working to determine the location and if any other activity will be tied into the meeting. The normal third meeting of the year will not be held due to the ACA reunion taking place 15-19 Oct 08, we hope everyone can attend. Our last meeting of the year will be 6 December 2008, at Bill and Marilyn McCullough's house this meeting is followed by a social spouses are welcome to attend.

The ACA's peak membership was 143! However, there has been a steady decline with many individuals paying dues for one year and then being dropped from the active roll for non-payment. We hate to lose you as it is only through active participation of the membership that we can achieve the objectives of the Association, first of which is camaraderie. Once again approximately 10% of those who paid dues in 2007 have not yet renewed their membership for 2008. Why this continues to happen is a mystery to the Board of Directors, perhaps it is something we did or didn't do. At any case we hope you will come home and renew your membership.

The label for this mailing indicates your membership status! If the prefix to your name includes an L (e.g. CL, AL, HL) you are on the roll as a Life Member. A number indicates the last year for which you have paid dues. If you believe I have made an error, please contact me ASAP!

In addition to re-enlisting members, in order to grow the ACA needs to recruit new members! We hope that each of you will assist in recruitment. An area that is not well represented in the membership are the active duty Chiefs. If you know of an Ammo Chief who is not a member please encourage them to join.
