

Chief Miller/Fellow ACA Members,

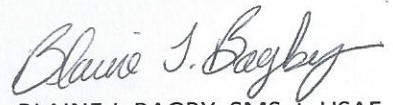

On behalf of my fellow Gunfighter AMMO brothers and sisters, out of Mountain Home AFB, Idaho, I would like to send a huge thank-you for the giant box of awesomeness, that we just received. Your organizations generous donations are much appreciated.

You'll be happy to know, that your package was opened and shared by all, while gathered near a MAC full of recently assembled GBU-38's. I found this very fitting, considering the source of such generosity, was the work of the AMMO legends that preceded us. You would all be proud of the work that AMMO continues to do and that the "flame" is being kept alive and well.

Merry Christmas!

IYAAAYAS!
