

AMMO MONUMENT DONATION

Make a donation of \$100 or more and get a Polo Shirt with the following design. For every \$100 donated you will get one Bronze Star, for each \$500 a Silver Star.

Your Name Here

The cost of the shirt and shipping is deducted from your donation and these are at cost with no mark up.

To reduce production cost and impact on the donation amounts, only two shirt colors will be offered, a light colored shirt and a dark colored shirt.

The embroidery will contrast with the color of the shirt, i.e., a white shirt will have black lettering and a black shirt will have white lettering. The Shell & Flame will either be black and red on a light shirt or gray and red on a dark shirt. Wear it proudly to advertise our program.
