FROM THE PRESIDENT:

By Bart Ivy

Fellow Ammo Chiefs, I hope this finds you well and in good health. Ammo is still kicking ass and taking names, the AMMO Monument has reached over 100% of the goal and is in the works. The ACA is in good financial health, and we are continuing to support Ammo Troops around the world and our Chapters are doing amazing things supporting their local Ammo Troops.

Our 2022 Reunion scheduled for Tucson AZ from 13-16 Oct is still on and we hope you can make it out this year. First drink is on me.

Please keep in touch I would love to hear from you.

Keep Your Powder Dry

FROM THE VICE PRESIDENT:

By Mark Gossett

I want to once again put in a pitch for the upcoming reunion. Tom and the members of the Desert Mountains Chapter have put in a lot of time and effort pulling this together. It's been four years since we've had the opportunity to gather as a community. Looking at the schedule of events there is plenty to keep everyone busy. Looking forward to seeing many of you there. Take care, stay safe and keep your powder dry.

FROM THE SECRETARY:

By Matt Lingelbach

Where has the summer gone? Even though COVID is still around our family is trying to make the best of the summer months. We have celebrated our daughter's graduation from high school, been to visit our first grandbaby and seen some amazing sights. It is hard to believe that Labor Day is just a little over a month away which signals the official end of summer and the beginning of football season! LOL!

We are also 75 days from the Reunion in AZ! I hope to see folks make it there to catch up with the crew. The Desert Mountains team has a busy weekend planned with a little bit of everything to satisfy anybody's interests.

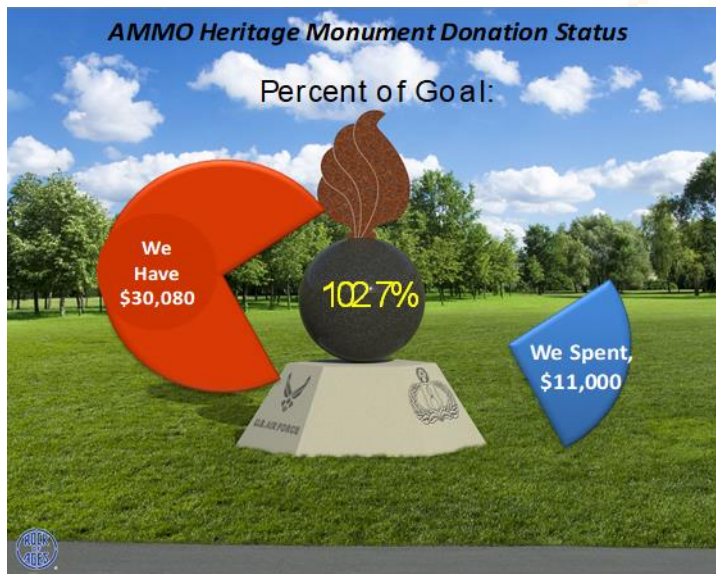

We just hosted the 10th Annual AMMO Picnic here at Hill AFB this past weekend for all the Active Duty and retired AMMO Troops. It was a great time and had an awesome showing! Hope to hear more from the other Chapters about the amazing events that they are starting to put together.

I will begin to relieve Joe Dominguez from putting out the Shell and Flame over the next couple newsletters. He has served the community honorably for many years and its time that he can sit back and enjoy the fruits of all his labor. Want to thank him for putting this together through thick and thin, health, COVID and beyond! Finally, please be gentle with me as I am shy and don't take criticism well! Jk!

FROM THE TREASURER:

By Mike Robertson

I've been in the Treasurer position for 7 months now and things are moving along well. As of July 31, 22 we have surpassed our \$40,000 fundraising goal for the AMMO Heritage Monument by \$1,080 (102.7%). Monument donations have been steady and appreciated. I must call out 2 specific

donations that were significant and helped meet our milestone. First, was a \$2,500 donation from the USAF Logistics Officer's Association (LOA) and second a \$2,000 donation from the AMMO Veteran's Association (AVA) from donations they collected at their annual Bash at the Beach. We want to give them a big Thank You – Bless their Hearts! In May, we made our first down payment of \$11,000 to Rock of Ages who is building the monument. We hope to see the monument delivered and installed sometime around May 2023. We are still accepting donations for the monument as we anticipate cost increases for delivery and installation in 2023. If you have not heard, there will be five drawings for “mini-monuments” – more

information about that is below.

We have ordered 16 AMMO Legacy Pavers so far this year. The Airman Heritage Foundation has experienced supply-chain issues with their paver supplier for the ink used to inscribe the pavers, so installation of pavers is delayed. We will notify everyone when they are back on track and the pavers are installed.

IYAAYAS!

MID-ATLANTIC CHAPTER:

By Phil Kennedy

<i>ACAMC</i>	<i>BOD</i>
President	Phil Kennedy
Vice President	John Nye
Secretary Treasurer	Vacant
Director at Large	Rich Pennington

Summer has finely arrived in Virginia... rainy, hot, humid, and miserable as usual. Wouldn't have it any other way! COVID has subsided to a point, not deterring anyone from taking some well-deserved time off from work to play at the beaches, visit other vacation spots, or just relax to recharge their battery with family and friends.

The Chapter's 2nd quarter meeting in June was an in-person (destination) and dial-in event held at Extra Billy's BBQ Restaurant, in Richmond. Members present were Phil Kennedy, President; CMSgt. John Nye, Vice-President; Rich Pennington, Director-at-Large, and Eddie Fuquay. Great!!!! Took a roll call to determine if the Chapter had enough members present, that called-in, and proxies to form a quorum to conduct Chapter business. Some of the issues the Chapter is focused on this quarter:

- As a fund-raising initiative,
 - Explore the idea of raffling a Harley motorcycle through donations;
 - Register the Chapter in the Wreath Across America Foundation database;
- Present the Chapter's Oral History Project initiative to the ACA BOD in October;
- Forward completed Chapter 2021 audit to ACA Treasurer;

Final notes;

- Phil Kennedy, Rich Pennington, and Eddie Fuquay plan to attend the 2022 ACA Reunion;
- CMSgt Steve Parcell's retirement ceremony. Picture below is of fellow AMMO Chiefs who took part in Chief Parcell's retirement – great turnout!
- The 3rd Quarter Chapter meeting is scheduled for 10 September, 1:00pm, at 1st MUNS, Langley AFB, VA

EMERALD COAST CHAPTER:

By John Greer

<i>ACAEC</i>	<i>BOD</i>
President	John Greer
Vice President	Dennis Tangney
Secretary	Vacant
Treasurer	Johnny Long
Chief at Arms	Willie Mothersell

The Chapter was saddened to lose one of its longtime members as Glenn Rielly passed away after a long bout with cancer. He was an active member who could be counted on to assist in any endeavor. He was the team chief who built the original Ammo Bar at the Helen Back and later maintained it at the FUBAR Pizza Bar and Grill. This has been the talk of many an Ammo Call held each year thanks to Glenn's efforts to continually add new munitions to the area and astounding the young troops with his war stories. He will be missed.

The 10-12 Jun Ammo Bowl was a great success as Moody Ammo dominated, with both the A and B teams taking their respective division tournaments. Fourteen teams represented, A great time was had by all visitors and participants. John and Doris were able to raise \$1200.00 and donated it towards the Ammo Monument. Mark and Donna Dunn did their usual excellent job on the grill keeping the troops fed with burgers and dogs.

Had our meeting on 22 July at Poppy C's BBQ, an Ammo Veteran husband and wife team Rene and Caitlin. The BOD only mtg was to discuss upcoming activities and budget concerns and final golf tourney report. We had 91 players show up for the 21 Jun tournament which benefitted the homeless Veterans in the local area. Due to the generous donations of our members and sponsors we were able to raise over \$1900.00 for the Mental Health Association (MHA)

We have our next meeting scheduled for 17 September with spouses also at Poppy c's BBQ Grill.

Our Treasurer Johnny Long and President John Greer plan to present the check to the MHA Director when she gets back in town.

The request for selectees from Hurlburt, Eglin and Tyndall Bomb Dumps for Munitions person of the Year will go out the end of August and will be presented at the Annually Awards Dinner on 4 Nov.

We will also have our Ammo Day burger burn at the Munitions Flights on 2 December and that should close the activities out for the year for the Emerald Coast Chapter.

On Saturday, 14 May 2022, The Lone Star Chapter held a general membership meeting at the Liberty Bar in San Antonio. During this meeting a quorum was establish and a general election was held for President and Secretary/Treasurer. Congratulations to Sabrina Still who was elected as our new President and to Joe Dominguez who was re-elected as our Secretary/Treasurer. The entire chapter extends it thanks to Steve West for his years of service as our past President. Your sponsorship is greatly appreciated.

DESERT MOUNTAINS CHAPTER:

By Tom Cox

<i>ACADMC</i>	<i>BOD</i>
President	Tom Cox
Vice President	Bill Pennington
Secretary/Treasurer	Ricky Quattlebaum

The 20th Anniversary reunion plan is underway, we are charging forward. Although we are 90 days out from the date, we have only 18 members and 9 spouses signed up. We hope to see more of you sign up.

No matter the number who sign up, we're pressing on with the event. Fortunately, we haven't finalized reservations, due to all requiring payment up front, and cost is determined by head count. The only major cost is transportation, and we're currently looking at alternatives to the really big bus. We'll get this all nailed down after September 15th.

For those who come, we'll be providing everyone a gift bag and in it will be our 20 Anniversary challenge coin.

As a reminder, although October is a beautiful time of year temps can get a tad warm. For those who haven't been in the desert for quite a while, take water with you everywhere. We'll have cases of bottled water on site. Lots of people like to walk around Reed Park, just across the street from the hotel, a couple of miles distance, but lots of scenery to take. Shorts and a comfortable shirt or blouse is the normal dress. I doubt if you'll need a jacket or sweater, but you ought to bring one just in case.

We are looking forward to seeing all of you, don't miss the opportunity to come to the 20th Anniversary Reunion.

CHIEF GAUVIN MEMORIAL SCHOLARSHIP APPLICATION

The Chief Gauvin Memorial Scholarship Fund Applications are available at www.rgauvin.org. Please distribute to anyone you know of in the fAMMOly that can take advantage of this opportunity. AMMO helping AMMO....huuaahhh!!!!

~~~~~

The Chief Master Sergeant (CMSgt) Richard A. Gauvin AMMO Troop Memorial Fund was founded in June 1998 by Class 9806 as a continuing class legacy to pay tribute to Chief Gauvin for his selfless contributions to his country and the AMMO community. Class 9806 contributed the initial funds in the amount of \$400.00, obtained through personal contributions by class members. All class members agreed the fund should be established to award scholarships to children of munitions personnel who held AFSC 461XX, 465XX or 2W0X1 on active, reserve, or ANG duty in the service of the USAF.

The Air Force Combat Ammunition Center (AFCOMAC) Senior Staff will administer the scholarship fund. All future AFCOMAC classes will have the opportunity to raise funds and contribute to expanding the scholarship fund.

The USAF Major Command Functional Managers who act as the AFCOMAC Board of Advisors (BOA) will be the Scholarship Selection Committee to review, approve, and decide on the amount awarded to each applicant. All scholarship applicants will submit their applications prior to 1 June of each year.

The AMMO Chiefs Association (ACA) contributes \$500 annually directly to the AFCOMAC BOA selected recipient of the Chief Gauvin Memorial Scholarship.

# **ACA MEMORIAL PAVER PROGRAM**

By Mike Roylance

The AMMO Chiefs Association Inc. has recently expanded their Legacy Memorial Paver Program to include all AMMO ranks. We call it - **AMMO ROAD**

The price of the pavers is \$70. Our cost is \$65 per paver which is the reduced rate we negotiated and receive from the Airman Heritage Foundation (AHF). This profit of \$5 per paver is used to help fund AMMO Heritage Monument project. Any orders via our PayPal account should include the fees of \$2, so \$72 total. We receive no further reduction for multiple pavers. However, our pavers are grouped together, the first AFSC to do so. Visit the latest details on the AHF Paver program at [www.AmmoChiefs.com](http://www.AmmoChiefs.com).

All pavers are placed as ordered; there can be no reserved spaces or special grouping. Orders would remain "First in - First out". Order your own, one for a mentor you respected while on duty, a friend or a spouse. If you place an order and we find it is a duplicate, we will let you know.

We would reserve the right to ensure any wording is in accordance with the AHF guidelines and our requirement that the paver have some wording related to AMMO. Remember there are 3 lines of text limited to 14 characters per line including spaces. Acceptable entries might read AMMO (rank), IYAAYAS, KYPD, AMMO Wife, AMMO SPOUSE, etc. Something easily identifiable as AMMO related.

The following AMMO Chiefs have been identified as deceased with no paver.

| Memorial Pavers Needed |               |              |
|------------------------|---------------|--------------|
| Last Name              | First Name    | Rank / Grade |
| Fisher                 | James "Jesse" | CMSgt        |
| Lane                   | John C        | CMSgt        |
| Obleman                | Michael R.    | CMSgt        |

If anyone, group, or chapter would like to purchase one please remember these can be considered a donation to the ACA and therefore are tax deductible – even your own. Information on purchasing a paver and background can be found here: <https://AMMOchiefs.com/aca-memorial-paver-program/>.

The focal point for all orders is the ACA Treasurer: [acatreasurer@AMMOchiefs.com](mailto:acatreasurer@AMMOchiefs.com).

## ***Background***

At the 2016 San Antonio Reunion ACA members toured The Airman Heritage Museum and later a recommendation was made to purchase a Lifetime Membership @ \$300 and receive a free single Legacy Paver.

Rather than a single one time donation via Lifetime membership, another proposal was made to create a new ACA tradition to perpetuate the memory of deceased ACA AMMO Chiefs.

The pavers are placed in a pathway that encircles the parade grounds at Lackland AFB in San Antonio Texas.

The purchase of Legacy Pavers supports the ACA Constitution and honors AMMO's heritage in a place highly visible to future Airmen and the public; it also supports the Airman Heritage Foundation long-term. Win/Win.

Initially the BOD agreed to purchase a Legacy Paver for all deceased ACA AMMO Chiefs then added all deceased ACA Members. Funding for all other previous AMMO Chiefs was provided by donations, most by ACA members. Several Chiefs have ordered their own.

The Program was adopted by the ACA BOD in mid-2017 and started shortly after. The first batch was ordered in

November 2017 with the first 44 being installed in the ground in May of 2019.

They are installed in front of the B-17 aircraft known as "Heaven's Above" which is right next to the Medal of Honor Monument. You can see the area on a google map below. Top left corner.

As you can see from the pictures the ADA compliant path will be completed with blank pavers and as pavers are purchased the blanks will be removed and replaced with Legacy Pavers. Generally, this is how the entire program works. It is our understanding that there is room for upwards of 1,000 pavers in our area.

Orders yours today with a credit card via PayPal. The price is \$72: <https://AMMOchiefs.com/donations-to-the-aca/>. Paying by check or money order, send an email to [acatreasurer@AMMOchiefs.com](mailto:acatreasurer@AMMOchiefs.com). The response will tell you where to send your \$70 payment.
