

# In Memoriam

*They shall not grow old, as we that are left grow old: Age shall not weary them, nor the years condemn. At the going down of the sun and in the morning, we will remember them.*

*The Light of the shell and flame will serve as a reminder of the level of excellence and esprit-de-corps set by those who came before us; the light of the shell and flame will also help us look back to remember those Ammo Troops, who are no longer with us and the service they performed for their country and to the Ammo community. In doing so, we will gain strength from the fact that such men and women lived.....FOR WE ARE AMMO!*

Those listed with a single asterisk \* held the distinction of being a Charter Chief in the USAF. Those listed with a double asterisk \*\* were Bataan Death March Survivors. Those listed with a triple \*\*\* are Shell & Flame Awardees
