

AMMO,

The Emerald Coast Chapter (ECC) of the AMMO Chiefs Association are happy to announce the AMMO Heritage Monument (AHM) is in-place at the USAF Armament Museum located at Eglin AFB, Florida.

This is the only museum dedicated to the collection, preservation and exhibition of artifacts and memorabilia associated with Air Force Armament and its platforms of delivery.

The monument will consist of a 15' X 15' concrete slab, plaque, and a large pisspot as the focal point.

The AHM sits in the center of a large pad that is surrounded by approximately 900 commemorative pavers.

All AMMO Troops (AFSC 461/465/2W0/21M) that are active duty, retired or honorably separated are eligible to have a paver laid around the monument. Pavers for AMMO spouses will also be accepted. We request a \$50 donation for each paver.

To order a paver fill out the attached form. Methods to submit donations is using VENMO (**SELECT PAYMENT BETWEEN FRIENDS**), Cash App, or by mailing a check made out to "ACA Emerald Coast Chapter" to ECC Treasurer, C/O Johnny Long, 101 Nicole Lane, Crestview, Florida, 32539; information is also on the form.

Complete the form below for each paver. Ensure the information is accurate. Place your email address and phone number on each form. Save the order form using "Last Name, First Name AMMO paver order form" of the person the paver is for. Completed forms must be emailed to both Gene Cox at spectre1221@gmail.com and Johnny Long at acaemerald.coast.chapter@gmail.com.

The graphic of the monument (on the order form) with paver numbers is not exact. We made the graphic before we poured the monument base and installed the blank pavers. We can get your pavers in the vicinity of the number you request in reference to the general location on the paver pad, **we cannot guarantee you'll get the exact location**. There are over 350 engraved pavers on the pad, as of the edit of this order, form and some of them might be in the same area you requested.

We order the pavers from a company on southwest Florida. To optimize shipment costs, we place an order when we've received 100 requests or every six months regardless of the number of requests we have. Once we receive an order, we will email pictures of the paver to the email address on the order form
